Quintin practises across a range of chambers' specialisms with a focus on clinical negligence and personal injury. Quintin undertakes work for both claimants and defendants in catastrophic injury claims. Quintin is held in high regard by a number of the UK's leading insurers, but he also has a strong claimant practice enabling him to take a well-balanced view on matters. Quintin is involved at every stage of litigation, and while he appreciates the benefits of alternative dispute resolution (ADR), he has a successful history of fighting to trial those claims which are not capable of compromise.
