

SCL (SINGAPORE) CONSTRUCTION LAW CONFERENCE 2017

CONSTRUCTION LAW & PRACTICE IN CHANGING TIMES

Thursday, 14 September 2017, 9.00 a.m. to 7.00 p.m.
Legends Ballroom, Hotel Fort Canning, 11 Canning Walk Singapore 178881

About this Conference

Construction Law is in an era of turbulence – impacted by changes in the construction industry, in the legal profession, and in the law itself.

This year's SCL (Singapore) Annual Conference will look at developments that have already occurred and explore possible transformations that are still to come.

This Conference will feature 4 main sessions:

- Deep Dive into Delay
- A Discussion on Current Issues with Defects
- Updates on Developments in Construction Law
- 'Speaking of Change': A Dialogue between Leading Practitioners

This Conference aims to bring together legal practitioners and construction industry stalwarts from around Asia to discuss the changing face of the construction industry.

Who Should Attend

- Architects, developers, contractors, engineers, project managers, consultants, managing agents, management corporations and other professionals involved in the construction industry who deal with legal, regulatory and contractual issues
- Construction consultants
- Law, building & construction academics and students
- In-house counsel & legal officers working in the construction industry
- Lawyers

Programme Outline

08.30 – 09.00	Registration & Refreshments
09.00 – 09.05	Welcome Address by Chair of Morning Session <i>Mr. Alex Wong - Chairman, Society of Construction Law (Singapore)</i>
09.05 – 09.30	Keynote Address by: Mr. Wong Heang Fine - Group CEO, Surbana Jurong Private Limited
09.30 – 11.00	<p>SESSION 1: DEEP DIVE INTO DELAY</p> <p>The session will commence with an overview of commonly used delay methodologies, with particular focus on the difference between prospective and retrospective delay analysis. This will be followed by a lively panel discussion touching on common areas of misuse and exploring the maxims “Is Prospective Delay Analysis Dead?” and “There Is No Such Thing as True Concurrency”.</p> <p><u>Session Chairperson:</u></p> <ul style="list-style-type: none"> Mr. Trevor Lam – Council Member, Society of Construction Law (Singapore); Head of Singapore, CTBH <p><u>Panel Session Moderator:</u></p> <ul style="list-style-type: none"> Mr. Shourav Lahiri – Director, Lahiri LLC <p><u>Speakers:</u></p> <ol style="list-style-type: none"> Ms Lucy Garrett – Barrister, Keating Chambers Mr. Shourav Lahiri – Director, Lahiri LLC Mr. Trevor Lam – Council Member, Society of Construction Law (Singapore); Head of Singapore, CTBH Mr. Jon Prudhoe FRICS, FCIArb, FAE, FSI Arb – Managing Director & Global Construction Practice Leader, Navigant APAC
11.00 – 11.20	Morning Break
11.20 – 12.50	<p>SESSION 2: “No one finds fault with Defects which are the result of nature - Aristotle 384-322 BC” A DISCUSSION ON CURRENT ISSUES WITH DEFECTS</p> <p>Construction defects have always been a source of disputes between contracting parties and of late, particularly between buyers of their private homes and the developer/designers/contractors. Panelists from Session 2 will all weigh in to provide their views of what could turn a project upside down; whether defects can be mitigated through contract provisions, good practices and compliance with building codes and standards, forensic investigation into the cause of defects and practical issues/difficulties for claimants in defects litigation in the aftermath of the recent legal developments.</p> <p><u>Moderator:</u></p> <ul style="list-style-type: none"> Mr. Anil Changaroth - Assistant Honorary Treasurer, Society of Construction Law (Singapore); Managing Director, ChangAroth Chambers LLC <p><u>Speakers:</u></p> <ol style="list-style-type: none"> Dr. Sean Brady – Managing Director, Brady Heywood Pty Ltd Mr. Chan Kok Way - Managing Director of SD Architect & Associates Pte Ltd Mr. Ho Chien Mien – Partner, Allen & Gledhill LLP
12.50 – 14.00	Standing Buffet Lunch
14.00 – 14.05	Introductions & Opening Remarks <i>Mr. Toh Chen Han – Vice-Chairman, Society of Construction Law (Singapore)</i>
14.05 – 15.35	<p>SESSION 3: UPDATES ON DEVELOPMENTS IN CONSTRUCTION LAW</p> <p>Construction law is constantly developing and evolving, to adapt to the changing landscape and new challenges faced in the industry. The importance of keeping abreast with these legal developments needs no explanation. The legal developments themselves however often do benefit from some considered exposition, of the kind that will be delivered by the panel of eminent construction law experts in Session 3, which will discuss the most significant recent developments in construction law both in Singapore and abroad.</p> <p><u>Moderator:</u></p> <ul style="list-style-type: none"> Mr. Toh Chen Han – Vice-Chairman, Society of Construction Law; Partner, Pinsent Masons MPillay LLP <p><u>Speakers:</u></p> <ol style="list-style-type: none"> Mr. Melvin Chan – Executive Director, Head of Litigation & Dispute Resolution, TSMP Law Corporation Mr. Chow Kok Fong - LLB, BSc, MBA, FCIArb, FRICS, Chartered Arbitrator and Chartered Surveyor; Managing Director, Equitas Chambers Pte Ltd
15.35 – 15.50	Afternoon Break
15.50 - 17.20	<p>SESSION 4: “SPEAKING OF CHANGE” – A Dialogue Between Leading Practitioners</p> <p>In this session, 4 leading construction practitioners will discuss key trends and developments which are impacting the practice of construction law and the resolution of construction disputes. Following a panel discussion of the implications for the legal profession and for the industry, there will be an opportunity for questions and comments from the audience on the issues raised.</p> <p><u>Moderator:</u></p> <ul style="list-style-type: none"> Mr. Rob Palmer – Honorary Treasurer, Society of Construction Law (Singapore); Partner, Ashurst LLP <p><u>Speakers:</u></p> <ol style="list-style-type: none"> Mr. Lee Chau Ee – Council Member, Society of Construction Law (Singapore); Partner, King & Wood Mallesons Dr. Colin Ong QC – Dr. Colin Ong Legal Services Mr. Paul Sandosham – Partner, Clifford Chance; Chartered Arbitrator, FCIArb, FSI Arb Ms. Marion Smith QC – Barrister, 39 Essex Chambers
17.20 – 17.30	Conference Closing Remarks <i>Ms Kua Moon Yin - Chair, SCL (Singapore) Conference 2017 Organising Committee</i>
17.30 - 1900	Post Conference Networking Cocktails

About our Keynote Speaker

Mr. Wong Heang Fine - Group CEO, Surbana Jurong Private Limited

Mr Wong Heang Fine is the Group CEO of Surbana Jurong Private Limited, one of the largest Asia-based urban, industrial and infrastructure consulting firms. Heang Fine has held many key leadership positions across a number of industries over the last 35 years. Most recently, he was the CEO of CapitaLand Singapore Limited (Residential) and CapitaLand GCC Holdings, and also the Country CEO in charge of developing

CapitaLand's business in the Gulf Cooperation Council region. Heang Fine was also CEO of Capitala, a joint venture company between CapitaLand Singapore and Mubadala Development Company, UAE. Prior to this, he was President & CEO of SembCorp Engineers and Constructors Pte Ltd and was instrumental in advancing the company's engineering and construction business in South Asia. He has also held key positions in Cathay Organisation Pte Ltd, L&M Group Investments Ltd. and Singapore Technologies Industrial Corporation. He holds a 1st Class Honours in BSc (Mechanical Engineering) from the University of Leeds, England in 1980 and attained a MSc (Engineering Production and Management) from the University of Birmingham, England in 1981. Heang Fine was the President of the Real Estate Developers' Association of Singapore from 2011 to 2012.

Mr. Chan Kok Way - Managing Director, SD Architect & Associates Pte Ltd

Mr. Chan Kok Way is an Architect, Arbitrator, Adjudicator, Mediator, Expert Determinator, Expert Witness, Registered Inspector & Fire Safety Engineer. He is currently a Board Member of BOA, 2nd VP SIA, Chairman of Building Contract Committee SIA and Chairman of Building & Construction Standard Committee (SPRING Singapore), Member of Singapore Standards Council and MD of SD Architects &

Associates Pte Ltd. He has been practicing as architect for 35 years in the building and construction industry specialising in building and construction works, fire safety works and alternate dispute resolutions.

Mr. Anil Changaroath - Assistant Honorary Treasurer, Society of Construction Law (Singapore); Managing Director, ChangAroth Chambers LLC

An Arbitrator, Mediator (both commercial and family), and an Advocate and Solicitor of Singapore and Solicitor of England and Wales, Anil has worked locally, internationally and in-house since 1995. His Chambers practices Appropriate Dispute Resolution primarily on commercial, civil, criminal & corporate matters

with a focus on building, construction and infrastructure related mediation, adjudication, arbitration and litigation in the Singapore and the region. Trained also in Adjudication and International Investment Treaty Arbitration, he was SCL(S) chairman 2012 to 2014, and is currently on the SCL (International)'s liaison committee (overseeing protocol amongst the 20 odd SCLs international), the Honorary Legal Advisor to the Singapore Institute of Architects (for its Building Contracts & Small and Medium Architectural Practices Committees) and the Singapore Institute of Surveyors and Valuers. The Chambers harnessing and/or adopting legal technology (providing a seamless largely paperless legal practice) is recognised as a SmartLaw practice.

Mr. Chow Kok Fong - LLB, BSc, MBA, FCIArb, FRICS, Chartered Arbitrator and Chartered Surveyor; Managing Director, Equitas Chambers Pte Ltd

Mr. Chow Kok Fong is Managing Director of Equitas Chambers Pte Ltd. He has been appointed as mediator in numerous domestic and international matters relating to construction, real estate and commercial disputes. He is also a Chartered Arbitrator, a Fellow of the Chartered Institute of Arbitrators,

Principal Mediator with the Singapore Mediation Centre (SMC) and is accredited as an arbitrator with several other bodies.

Mr Chow has had a distinguished corporate career spanning three decades, much of which was spent at the helm of corporate and public entities in real estate, construction and civil aviation, including Changi Airports International Pte Ltd, the Construction Industry Development Board (now the Building and Construction Authority), Capitaland Commercial Ltd, City Developments Ltd and Guthrie GTS Ltd. He has extensive experience with business in both Asia and Europe, having participated in some of the widely reported transactions in these markets. Concurrently, Mr Chow has devoted considerable time to support the development of ADR programs in Singapore and abroad. He serves on the Board of Directors of the SMC and is the Honorary Editorial Consultant of the Asian Journal on Mediation. Mr Chow has also taught at the National University of Singapore and Nanyang Technological University and has over 114 contributions and presentations to journals, magazines, public forums, conferences and meetings of professional bodies on the subjects of aviation, construction law, business strategies and human resources. He has also published 17 books on selected aspects of the construction industry, construction law and construction adjudication.

Dr. Sean Brady – Managing Director, Brady Heywood Pty Ltd

Dr Sean Brady is a forensic structural engineer who specialises in identifying the cause of defects and failures in the construction and engineering sectors. He has acted as an independent expert in numerous proceedings involving a wide range of constructed facilities, including stadia, bridges, wharves, tall buildings, large basements, petroleum storage vessels and mining structures. He is a director of the Society of Construction Law Australia, and

a member of the Singapore International Mediation Centre's Panel of Experts. Sean contributes to the speciality of forensics through roles on two of the world's premier forensic structural publications – the American Society of Civil Engineers (ASCE) Journal of Performance of Constructed Facilities (Associate Editor) and the UK's Institution of Civil Engineers Forensic Engineering Journal (Editorial Board member). He is also a visiting lecturer at a number of universities.

Mr. Melvin Chan – Executive Director, Head of Litigation & Dispute Resolution, TSMP Law Corporation

Melvin heads the Litigation and Dispute Resolution Department in TSMP Law Corporation. He has extensive experience in contentious construction and engineering disputes, and has been cited as a leading individual for litigation and construction and engineering respectively in Asialaw Profiles and Chambers Asia-Pacific.

Melvin has successfully argued a number of landmark decisions in the High Court and Court of Appeal, including the recent case of MCST Plan No 3322 v Mer Vue Developments Pte Ltd & Ors [2016] SGHC 38, where the High Court decided for the first time that the architect can rely on the independent contractor defence. The decision was upheld by the Court of Appeal in MCST Plan No 3322 v Tiong Aik Construction Pte Ltd & Anor [2016] SGCA 40.

Melvin is an Accredited Adjudicator with the Singapore Mediation Centre, a Fellow of the Singapore Institute of Arbitrators, as well as an Ad-Hoc Referee of the Small Claims Tribunal in the State Courts of Singapore.

Speakers & Moderators (alphabetically by surname)

About our Speakers & Moderators

Ms Lucy Garrett – Barrister, Keating Chambers

One of the best, if not the best construction junior" and an "extremely bright, hard-working and a good cross-examiner," Lucy Garrett is a barrister at leading London construction set, Keating Chambers. She has an impressive specialist practice in construction, engineering, energy and shipbuilding, both in the UK and internationally.

Always in demand for her forceful advocacy, commercial approach and "stellar" intellectual ability, Lucy is instructed in numerous high profile, high value disputes in the TCC and in international arbitration (particularly in the Far East and Middle East). Her recent cases include a multi-billion US\$ ICC arbitration relating to the construction of a hospital complex in Qatar. Lucy won Chambers and Partners' Construction Junior of the Year in 2013 and was nominated again in 2015.

Mr. Ho Chien Mien – Partner, Allen & Gledhill LLP

Chien Mien undertakes a wide range of contentious and non-contentious work in the areas of construction, engineering and infrastructure projects.

His contentious work involves litigation, arbitration, adjudication and mediation work – both domestic and international. On the non-contentious side, he has been involved in some of the largest building and

infrastructure projects in Singapore and the Asia Pacific region. On his work in Construction and Projects and Energy, Chien Mien is constantly recommended as a key practitioner in several leading publications such as Chambers Asia-Pacific, The Legal 500 Asia Pacific, Who's Who Legal and IFLR1000/IJ Global: Energy & Infrastructure Deal Report 2017.

Ms Kua Moon Yin - Council Member, Society of Construction Law (Singapore); Senior Director, Arcadis

Moon is currently a Senior Director of Arcadis Contract Advisory Pte Ltd, a wholly owned subsidiary of Arcadis Singapore Pte Ltd, and brings over 20 years of experience to her role as a professional consultant in cost management on projects of different sizes and complexities. Moon's areas of practice include

a wide range of contentious work including settlement of claims with insurers on infrastructure projects, defending clients on adjudication claims and expert advisory work on matters relating to quantum on construction projects. On non-contentious work, Moon provides professional and technical advice to clients relating to front-end advisory work, contract documentation, contractual claims and due diligence work for clients seeking expansion through mergers and acquisitions.

Mr. Trevor Lam – Council Member, Society of Construction Law (Singapore); Head of Singapore, CTBH

Trevor has over 17 years of experience across the globe and leads CTBH's Singapore office and SEA team. His experience includes airports, roads, rail, mixed-use developments, hospitals, shopping centres, oil & gas, power and sporting facilities.

Trevor is experienced in the provision of independent expert analysis on extensions

of time, delay, disruption and acceleration. This includes preparing analyses, reports and acting as the Expert for litigation, arbitration, adjudication and mediation proceedings.

Trevor also maintains a strong involvement in the delivery of live projects; planning works from conception to completion across a diversified client base including owners, contractors and sub-contractors. Trevor has developed a wide ranging perspective on construction issues that commonly arise.

Mr. Shourav Lahiri – Director, Lahiri LLC

Shourav is a Director of Lahiri LLC, a Singapore law firm, and has been practising for 20 years. Shourav is a specialist engineering, construction and arbitration lawyer and has also acted as counsel on several domestic and international construction arbitrations. He specialises in advising and representing clients in the infrastructure and building, power, onshore and offshore oil & gas (including petrochemical) sectors on the design, engineering, procurement

and construction of projects. He is listed as an expert adviser in construction law by Chambers & Partners Asia Pacific Guide to Lawyers, Who's Who Legal and Euromoney.

Mr. Lee Chau Ee – Council Member, Society of Construction Law (Singapore); Partner, King & Wood Mallesons

Chau Ee has a 'cradle-to-grave' construction and engineering practice advising clients from conception, inception to completion of a project life-cycle. His spread of knowledge, experience and expertise is across construction sectors including energy, infrastructure, water and waste-water, and offshore and marine, having

worked on these projects throughout Asia, the Middle East and the UK. For the majority of his career, he worked in UK and US law firms, initially in Singapore, and thereafter in London and Dubai, before returning to Singapore in 2014.

Chau Ee has been consistently ranked as a leading lawyer and expert in Construction in leading international legal directories such as Who's Who Legal in Construction, Euromoney's Guide to World's Leading Experts in Construction, Legal 500 Europe Middle East Africa, Legal 500 Asia Pacific, Chambers Global, and Chambers Asia Pacific. Besides a law degree, Chau Ee also possesses an MSc in Construction Management (Project Management).

Dr. Colin Ong QC – Dr. Colin Ong Legal Services

Dr. Ong is Senior Partner at Dr Colin Ong Legal Services (Brunei); Counsel at Eldan Law LLP (Singapore) and Associate Member Barrister at St Philips Stone Chambers (London). He is regularly instructed as lead counsel or appointed as arbitrator and has been involved in over 280 arbitrations under most major rules including AAA, BANI, HKIAC, ICC, LCIA, LMAA, KLRCA, SIAC, TAI and the UNCITRAL Rules.

In 2010, he became the first non senior judge from ASEAN to be elected as a Master of the Bench of the Inner Temple. He is also the first ASEAN national lawyer appointed English Queen's Counsel. He is a Chartered Arbitrator and FCIArb; FMI Arb and FSI Arb. He has been and is a Visiting Professor at various Civil and Common law universities. He is recognised in major legal directories including Who's Who Legal: Thought Leaders - Arbitration and Expert Guides: Best of the Best 2017 (Arbitration).

Mr. Rob Palmer – Honorary Treasurer, Society of Construction Law (Singapore); Partner, Ashurst LLP

Rob Palmer is a Partner in the dispute resolution team in Ashurst's Singapore office. Based in Southeast Asia since 2003, he is listed in legal directories (including Chambers, Legal 500, Who's Who Legal and Expert Guides) as one of Singapore's leading construction and arbitration

lawyers. Rob has a particular focus on dispute resolution in international energy, construction and infrastructure projects, and has conducted arbitrations under the rules of all the major arbitral institutions. He has also drafted and negotiated construction contracts for major projects in the transport, utilities, power and oil & gas sectors. Rob is qualified in New Zealand, New South Wales and England, and is a Fellow of the

About our Speakers & Moderators

Chartered Institute of Arbitrators, the Singapore Institute of Arbitrators and the Australian Centre for International Commercial Arbitration. He also sits as arbitrator and is a member of the panel of arbitrators of, among others, the ACICA, the KLRCA, the TAC, and BANI.

Mr. Jon Prudhoe FRICS, FCI Arb, FAE, FSI Arb – Managing Director & Global Construction Practice Leader, Navigant APAC

Jon Prudhoe is one of the few experts worldwide equally capable of acting as both Delay or Quantum Expert. He has over 35 years' experience of dealing with complex contract issues on building, civil engineering, infrastructure, transportation, process and energy sector projects, with the past 17 years

focusing specifically on disputes in Singapore and across Asia. With over 85 appointments he is well versed in giving evidence under cross-examination on matters such as delay, disruption, acceleration and extension of time. He has also undertaken several Expert Determination and Dispute Review Board appointments.

Mr. Paul Sandosham - Partner, Clifford Chance; Chartered Arbitrator, FCI Arb, FSI Arb

Paul Sandosham is a partner in the Litigation and Dispute Resolution practice of Clifford Chance and heads the Energy, Infrastructure and Resources (Disputes) practice for South East Asia. He is admitted to the Singapore Bar and is on the roll of solicitors of England and Wales. He is qualified as a Chartered Arbitrator. He is a Fellow of both the Chartered Institute of Arbitrators (FCI Arb)

and Singapore Institute of Arbitrators (FSI Arb). Paul acts as counsel in court and international arbitration proceedings under various rules for different parties in disputes arising out of large scale construction and infrastructure projects. Paul has advised on a multitude of projects and disputes that have arisen across numerous jurisdictions, including in Singapore, Malaysia, Indonesia, Thailand, Brunei, Vietnam, India, Lao PDR, Philippines, UAE, Qatar, Bahrain, KSA, Mauritius, Maldives, Tanzania, Nigeria, China, Mongolia, Turkey and Papua New Guinea. Paul is on the panel of arbitrators of SIAC, KLRCA, DIAC PIAC and CI Arb (London), sitting as sole arbitrator and tribunal chairman in international arbitrations relating to various types of disputes. He is a director of The Chartered Institute of Arbitrators (Singapore) Ltd and has served as Vice-Chairman, Honorary Secretary and Treasurer of SCL Singapore. Paul is a co-Vice Chairman for International Arbitration in the Law Society's ADR Committee, and a member of the appointments sub-committee responsible for appointing arbitrators under the Law Society of Singapore Arbitration Scheme (LSAS). Paul is recognised as a leading dispute resolution and construction lawyer and has been commended in numerous prominent legal publications including Chambers Global & Asia Pacific - The World's Leading Lawyers for Business, The Legal 500: Asia Pacific, Europe, Middle East & Africa, Global Arbitration Review's 100, Who's Who Legal The International Who's Who of Business Lawyers, Euromoney's Guide to the World's Leading Construction Lawyers, IFLR 1000 Energy and Infrastructure, Experts Guides Commercial Arbitration & Energy and Asian Legal Business.

Mr. Toh Chen Han – Vice-Chairman, Society of Construction Law Singapore; Partner, Pinsent Masons MPillay LLP

As Partner in Pinsent Masons' construction disputes practice, and Vice-Chair of the Society of Construction Law (Singapore), Chen Han regularly speaks and teaches on issues that concern the Construction Industry both in Singapore and internationally.

He has written for various publications including the International Construction Law Review, co-authored the chapter on Enforcement of Foreign Judgments and Foreign Arbitral Awards in the Law and Practice of Commercial Litigation in Singapore (Sweet & Maxwell, 2015), and The SICC Handbook – A Guide to the Rules and Procedures of the Singapore International Commercial Court (Sweet & Maxwell, 2016). He is also a Contributing Editor for the Singapore Journal of Construction Law.

Mr. Alex Wong - Chairman, Society of Construction Law Singapore; Partner, Hogan Lovells Lee & Lee, Singapore

Alex is a Partner at Hogan Lovells Lee & Lee and a member of the Infrastructure, Energy, Resources and Projects practice. Respected by clients and recognised as a leading lawyer by independent industry publications, Alex has more than 18 years of experience advising on construction, infrastructure, energy and natural resources, PPP and

government procurement projects in Singapore and across Asia. Alex speaks and writes regularly on a wide variety of infrastructure and energy related topics, including a chapter to a book endorsed by the Lee Kuan Yew School of Public Policy in Singapore titled "Water Governance – An Evaluation of Alternative Architectures". Alex is the Chairman of the Society of Construction Law in Singapore. He is admitted to practise in Singapore and England and Wales.

SCL (Singapore) is pleased to announce the arrival of "Law Rocks" to Singapore.

In conjunction with our SCL (S) Construction Law Conference, the Third Annual Law Rocks!

Singapore will be held on the evening of

Thursday, 14 September 2017

at Timber @ The Substation.

Marion Smith QC – Barrister, 39 Essex Chambers

Marion Smith QC specialises in large scale commercial and construction adjudication, litigation and arbitration in the UK and Asia. She is a Fellow of the Chartered Institute of Arbitrators and is recommended by the Legal 500 Asia Pacific 2017 and Chambers & Partners 2017 for Construction. Marion is a Visiting Senior Lecturer in the School of International Arbitration at Queen Mary University of London. With effect

from January 2017 she became a Trustee of the Chartered Institute of Arbitrators. Marion practises from chambers in London and Singapore.
