Cases of note

***Ocado Retail Ltd v London Borough of Islington & (1) Telereal Trillium Ltd (2) Concerned Residents of Tufnell Park* [2021] EWHC 1509 (Admin)** - Richard acts for residents local to a proposed new Ocado depot on an industrial estate next to a primary school. Those residents successfully applied for the revocation of a certificate of lawfulness permitting unfettered storage and distribution activities at the site on the basis that the determining local planning authority had been materially misled by the application and using a seldom deployed power under section 193(7) of the Town and Country Planning Act 1990 ("TCPA 1990"). Ocado filed a judicial review claim which sought to quash Islington LBC's revocation decision but CRTP together with Islington LBC successfully defended that claim. Ocado then applied for a fresh certificate on the basis of further evidence, CRTP raised a number of objections to that application and Islington refused it in February 2022. An appeal against that appeal is pending.

***R(Bancoult) v Secretary of State for Foreign & Commonwealth Affairs* [2018] UKSC 3 see also [2014] EWCA Civ 708 [2012] EWHC 2115 (Admin), [2012] EWHC 3281 (Admin) 2013] EWHC 1502 (Admin)** - JR of decision to enact the world's largest Marine Protected Area in the waters surrounding the British Indian Ocean Territory. Richard has acted for the Claimant/Appellant since 2011 in this long-running attempt to repatriate Chagossians expelled from their native islands in the 1960s and at each stage of this litigation from the Divisional to the Supreme Court. He took the lead in devising an argument that the decision was vitiated by an improper purpose based on WikiLeaks evidence of relevant discussions between diplomats. The Supreme Court dismissed the appeal but found in the Appellant's favour on WikiLeaks admissibility.

***R (Hillingdon LBC & Ors.) (Claimants) v Secretary of State for Transport (Defendant) & Transport for London (Interested Party)* [2010] EWHC 626 (Admin)**

- Judicial review challenge to government support for a third runway at Heathrow airport. Richard was subsequently instructed also in related proceedings ***R(Hillingdon LBC & Ors) v Secretary of State for Transport & Ors.* [2017] EWHC 121 (Admin)** comprising a strike out application (founded on s13(1) of the Planning Act 2008) by Hillingdon LBC and others (principally west London local authorities) against the SSfT's decision to select for inclusion in a draft national policy statement (NPS) a proposal for a third runway at Heathrow Airport on grounds of a flawed approach to air quality and breach of legitimate expectation.

***Fishermen and Friends of the Sea v Environmental Management Authority* [2018] UKPC 24** Richard acted in the Privy Council for Trinidad & Tobago's leading environmental NGO in its JR of the grant of a Certificate of Environmental Clearance ("CEC") for a motorway scheme (constituting EIA development) near a protected Savanna in Central Trinidad. Richard had previously acted for the same NGO in its challenge to the permitted of an Aluminium Smelter plant on a protected beach in Trinidad.
