

Camilla ter Haar

Year of call: 2005

Email: camilla.terhaar@39essex.com

Phone: +44 (0)20 7832 1111

Camilla ter Haar has a broad practice which combines commercial and construction law and public inquiry work. She regularly acts in international and domestic matters for a range of public and private clients and their legal advisors. Camilla's principal practice areas are in commercial and related litigation, including construction law. She is commonly retained by both the private and public sectors in pre-trial, interlocutory and trial appearances and to advise. She is experienced and efficient in working as a team member with those who instruct her.

Areas of expertise

Inquiries

Commercial

Construction

International Arbitration

Public International Law

Commercial

Camilla has wide-ranging commercial experience and is experienced in acting in claims relating to the provision and supply of goods and services, both domestically and internationally and claims relating to breach of contract and actions to recover monies. Camilla provides advice on the validity of terms and conditions and exclusion clauses as well as tactics and jurisdiction.

Recent examples of Camilla's commercial experience include:

- Arbitration: an international arbitration arising from a trade dispute between a British manufacturer and the Taiwanese government.
- Commercial Court: claim for unpaid invoices by a Saudi Arabian law firm against a German construction company.
- Chancery Division: **Rowley v Dunlop [2014] EWHC 1995** Successfully resisted an application to strike out a claim based on the alleged inadmissibility of expert evidence.
- ICC Arbitration: multi-million pound claim and counter-claim arising out of infrastructure (water treatment) works in the Middle East, including defects and delay issues.
- ICC Arbitration: multi-million pound contract termination claim arising out of major Middle East

infrastructure project.
