

## London Legal Walk Challenge

# LOCKDOWN PAINTINGS

### A Virtual Exhibition of 20 Paintings by Stephen Tromans QC

In 2014 I took up oil painting, which has since become an increasingly important part of my life. Circumstances prevent me participating in this year's London Legal Walk, but during lockdown I have been painting steadily between legal work and I would like to offer 20 recent artworks for sale, in return for a donation to the 39 Essex Chambers donations page as part of the "10x" challenge.

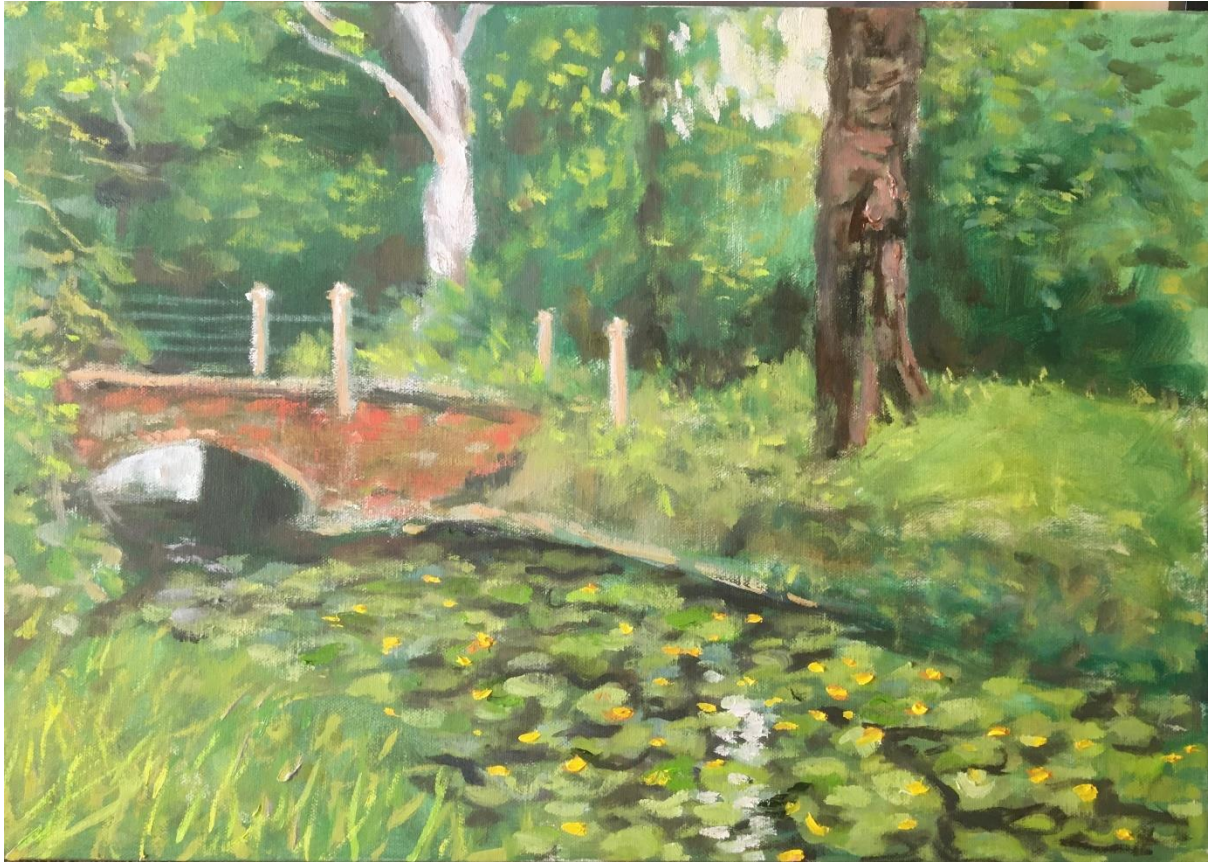

I hope you will enjoy looking at the paintings, most completed during the Pandemic period. I've tried to include a range of styles, subjects and prices. The donations page is to be found at <https://uk.virginmoneygiving.com/39EssexChambers20>.

If you'd like to buy one, please e-mail me at [stephen.tromans@39essex.com](mailto:stephen.tromans@39essex.com). I'd be delighted if you would like to acquire an original piece for your home or office, especially with the money going to such a vital cause. Please feel free to pass this on to friends and colleagues who might be interested.

Most are priced for sale unframed, so you can choose your own frame. However if you would like to acquire a piece with a frame I may be able to help at a small additional cost. Please bear in mind that there may be some inevitable variation between the tone and colour of the original and the photographic images seen here.
