ARBITRATION CENTRE

FOREWORD FROM AIAC

Greetings from the Asian International Arbitration Centre (“**AIAC**”). As we step into our 40th year of existence in 2018, we are rebranding KLRCA into the AIAC. We assure you that the AIAC will continue to look into the future and shape the global system of conflict resolution.

It is an immense pleasure to continue one of our most successful initiatives and welcome you to the 2nd AIAC/ICC Pre-Moot (“Pre-Moot”) for the Willem C. Vis International Commercial Arbitration Moot (“Vis Moot”) jointly organized by AIAC and the International Court of Arbitration of the International Chamber of Commerce. Apart from the Pre-Moot, AIAC and its Young Practitioners Group are organizing The First Asian Conference for Students and Young Practitioners a day before the Pre-Moot.

The goal of the Vis Moot is to foster the study of international commercial law and arbitration and to train young leaders in methods of Alternative Dispute Resolution (ADR). AIAC is honored to be associated with such a prestigious and important event. As the ADR regime continues to grow on global level, we at AIAC, firmly believe that this Pre-Moot will prepare all the teams well for Vis Moot and will be instrumental in every aspect. It will not only enlighten the students but also create platform for top ADR practitioners to come together and further the development of arbitration in their home jurisdictions, as well as internationally.

Building up on the success achieved in our previous edition of Pre-Moot in 2017, our heads are higher than ever. In its previous edition, our Pre-Moot was graced by 36 teams from different parts of the world. This year we are hosting more than 72 teams from over 20 different nations and top international legal and arbitration practitioners.

This accomplishment would not be possible without ICC being our long-standing partner, always encouraging supporting organisations, generous sponsors and volunteers. We are very grateful and will do our best to ensure the quality of the competition and exceed expectations. On that note, we at AIAC are pleased to welcome all the participants, coaches and arbitrators at one of the largest ADR hubs in the world, situated at the state-of-the-art facilities of historic Bangunan Sulaiman. We wish you all the best for the Pre-Moot and look forward to foster the valuable relationships we have created through this event.

Thank you.

DATUK PROFESSOR SUNDRA RAJOO

Director of Asian International Arbitration Centre
